(J) = Judged Exhibition (\$10 Entry Fee - 1 to 3 works of art)

* Intake will have two options:

Staffed intake time is 11am-1pm on the date given as in the past. IF you cannot deliver at this time your option is to deliver your art from 9am-11am on the day of intake to the respective locations. You may leave your art there IF (1) all descriptive data is on a label on the back of the art AND (2) your check for \$10 is in an envelope taped to your art if you are submitting to the Quinlan. You will be leaving this at your own risk since no one will be there to receive it from 9-11. We hope this will encourage more submissions and be more convenient for our membership.

Members are strongly encouraged, but not required, to send data on submissions to the Peach State Bank only to Barbara Brown prior to submission date so that labels may be prepared in advance.
